SHORTHORN BULL SALE

Saturday, February 19, 1966

BRANDON, MANITOBA

Dr. Ron Nelson, Michigan State University, placing a class of bulls at the 1965 Canadian International Bull Sale. Dr. Nelson returns this year as judge of the 1966 show and sale.

CANADIAN INTERNATIONAL

SHORTHORN BULL SHOW and SALE

WINTER EXHIBITION GROUNDS

BRANDON, MANITOBA

Saturday, February 19, 1966

54 BULLS

Consigned by 32 leading herds from five Canadian provinces and two states.

GENERAL SALE INFORMATION

TIME AND LOCATION — Saturday, February 19, 1966. Brandon Winter Fair Building, Brandon, Manitoba. This is located in the town area close to hotels.

SHOW: 8:30 a.m. Judge: Dr. R. H. Nelson, Chairman, Dept. of Animal Husbandry, Michigan State University, East Lansing, Michigan.

SALE: 12:15 p.m. Auctioneer: J. R. Blacklock, Saskatoon, Saskatchewan.

SALE HEADQUARTERS — Prince Edward Hotel, Brandon. Make reservations directly to G. Laliberte, Mgr., indicating you are attending the Canadian International Bull Sale.

HEALTH — The cattle will be sold in compliance with the Health Regulations of the Dominion of Canada and this will make the animals eligible for entry into the various provinces and to cross the U.S. border. Since several states have special requirements all buyers should be aware of their own health regulations, any special requirements, etc. as all sales are final.

TERMS — The terms of the sale are cash unless other arrangements are made in advance with the consignor from whom you purchase. Checks are to be handed to the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyer's risk as soon as bid off.

INSURANCE — Insurance will be available at the sale.

GUARANTEE — The cattle will be sold under the guarantee which is printed in full elsewhere in the catalog. Where footnotes appear in the catalog they were furnished by consignors or written from information supplied by the consignor.

Canadian Shorthorn Sales Inc., sponsors of this event, nor the individual consignors cannot be responsible for any accidents that may occur. Every person attending must assume risk of injury to himself. The guarantee shall constitute a contract between the buyer and seller of each lot. Neither the sale manager, nor the auctioneers, nor the clerks assume any liability of any kind. They were employed by Canadian Shorthorn Sales Inc. for specific tasks, promotional and clerical and have nothing to do with the handling of the cattle or the condition of the premises. The sale manager can assume no liability for the fulfillment of guarantees or errors in health papers.

Recording in the U.S. Herd Book — The special fee levied by the American Shorthorn Assn. on animals imported from Scotland, their sires, dams, etc., where applicable to cattle purchased in this sale by U.S. buyer will be paid by the consignor. All other cattle will be transferred to the new owner in the Canadian herd book and it will then be the responsibility of the U.S. buyer to pay the additional \$10 fee required to transfer from the Canadian to American herd book.

BY-BIDDING — Any consignor proved to have been "by-bidding" will be barred from all future participation in the Canadian International Bull Sale.

MINIMUM BID — Any bull not receiving the minimum bid of \$400 will be withdrawn from the sale ring.

SALE MANAGER — Harris Simons, 16 S. Locust St., Aurora, Ill., U.S.A.

The champion bull was piped into the ring last year preceded by the Manitoba Lassie Queen and the International Lassie Queen. There is a great deal of interest in the Canadian International Bull Sale and a great set of bulls to see. You should be present this year when the 1966 champion bull is led before the sale day crowd.

WELCOME TO THE CANADIAN INTERNATIONAL —

This is the fifth consecutive Canadian International Shorthorn Bull Sale sponsored by Shorthorn Sales, Inc., a company formed to promote a "Perth of North America." We feel that the aims of this company have been successful in the past four sales in presenting top bulls from representative breeders from the United States and Canada. We feel that this sale will be equally successful.

The bulls in the sale are the progeny of the best stock bulls obtainable on this continent and abroad. It is an opportunity for buyers to find assembled in a central place a number of carefully selected bulls from which to choose a stock bull.

The main purpose, however, of this introduction is to thank all those from the various Provinces and States who have helped the sales committee in accommodating, selecting offerings and arranging the many necessary details. Their assistance has gone a long way in making these sales the success they have been.

Also, we wish to thank the Mayor, aldermen, their associates, and the people of Brandon who have been so hospitable and generous in both a material and friendly way.

Shown above is the pair-of-bulls class at the 1964 Canadian International Bull Sale. This sale has built a reputation for being the strongest offering of stock bulls in North America.

GENERAL INFORMATION . . .

Getting to the sale . . . excellent highways and rail service to Brandon. By plane your best connection is to Winnipeg. One plane leaves Winnipeg daily for Brandon at 7:30 a.m. and arrives at 8:05 a.m. Cars will be available to meet planes at Winnipeg. Advise your arrival time as early as possible. W. W. Donaldson, Reford Gardhouse, or Harris Simons will be on hand in Brandon after Thursday morning. Write or wire them c/o Prince Edward Hotel or leave message for them with Mr. G. Laliberte, Mgr. Prince Edward. You will miss too much . . . and barely make the sale . . . if you plan to arrive Winnipeg as late as sale day morning. If you have time, there is rail and bus service from Winnipeg to Brandon.

Returning . . . train out of Brandon at 3:40 p.m. This will continue to Eastern Canada and also arriving in Winnipeg 6:25 p.m. connects with trains arriving Minneapolis 6:30 a.m. Good air connections from Winnipeg in all directions. The only plane from Brandon leaves at 2:10 p.m. and arrives in Winnipeg at 2:45 p.m.

Want to come in your truck? In this way you can load your bull out and head right home. Arrangements are being made to have the U. S. border open at Dunseith, No. Dak. (just 45 miles south) from 6:00 p.m. Saturday evening after the sale for several hours so you can go through. It will not open again until Monday morning. All health papers will be in order so cattle can go to the U. S. immediately.

Sending for your truck? A night watch will be available through Monday evening if necessary so if you wish you can send for your truck after the sale. After Monday we will help you make special

arrangements for care of your cattle at the farm of some dependable nearby Shorthorn breeder. Good truckers are available in the Brandon area and it is a major rail point.

We will work with you. Although it is never possible to predict, past experience indicates cattle will move in all directions. We will try our best to help you arrange group shipment most of the way home.

Telephone: The arena office telephone number is Parkway 9-1476.

Mail Bids: The following representatives will be attending. You may send bids to them or to consignors. These men may be reached at the addresses given or the evening before the sale at The Prince Edward Hotel.

Best pair of bulls _____

Above is a scene at the 1964 sale which had the largest crowd in the history of beef cattle sales in western Canada. You should be a part of this gathering on February 19.

From the SALE MANAGER

There is only one place to go for a stock bull . . . and that's where the bulls are available in sufficient number and quality to satisfy the most critical cattlemen.

Now in its fifth year the Canadian International Bull Sale has achieved the reputation of being one of the world's great selling places. Here is a sale that draws the very best bulls available from top herds throughout North America. These breeders traditionally save their very best for a sale in which good bulls were appreciated the year before.

To insure the high quality of this sale a number of inspection teams personally looked at each bull nominated

and selected this offering from entries nearly double the number needed. Many good bulls had to be eliminated and the end result was a selection of stock bulls that can work improvement in your herd for years to come.

The Canadian International fills a need for a powerful Shorthorn bull sale that can draw from throughout the continent. Its name as the "Perth of North America" is well deserved. Ultimately it can serve the markets of the world. We are pleased to be associated with this event and the hundreds of men and women who work so diligently to insure its success.

STRATHORE BULLDOZER—Big and rugged, with strong head and tremendous bone, so typical of Louada Bequest, our great son of Constructor. With his outstanding pedigree, including Calrossie, Cruggleton, Beaufort and Edellyn, he can hardly miss being a breeding bull. His full brother sired our grand champion female at the strong Peterborough show. Two full sisters are retained for our breeding herd.

This has been done and his first calves are quite promising. This bull is not in any way a cast off but has fulfilled his purpose for us. A bull that could help many breeders.

SCOTSDALE UTOPIA—His sire is well-known, formerly in the Kelburn heard. Bought at Perth in 1952, a paternal brother to supreme champion Calrossie Prefect, and from the same family as Calrossie Control, where he gets his white color. Utopia has bone and substance and an excellent head. His dam is a full sister to the \$10,000 Scotsdale Marshall, stock bull at Ettrick. We have used this bull and have an excellent calf by him. We would keep him if we did not have two very promising junior herd sires to follow. Would like to retain some semen which we have now.

EKCO RAJAH—One of the first sons of Melbourne Randolph offered for sale. Randolph was the top selling bull at \$3,400 of the Melbourne consignment in the 1962 Leveldale sale. His sire, Calrossie Diamond, is making history at Melbourne Farm as is Diamond's full brother, Calrossie Diadem, at Bilmar Farms. A sister of Rajah was the champion sale female at the 1965 North Dakota Winter Show and a brother was the champion bull at the 1965 North Dakota State Fair at Grand Forks. The grandsire and granddam on his dam's side were both Futurity champions at the very strong North Dakota Winter Show. He has good size and great length and we feel he measures up to the standards that should be required to sell in an International sale.

THOMAS MAX 13V x—The sire of this bull is the well known International grand champion TPS Max Coronet 92nd x that weighed 2,450 pounds in his prime. His dam is a daughter of Carona Perfect x, half-brother of Carona Fascination x of Lynnwood Farm, Carmel, Ind., with Killearn Max Peerless in her background. He is a thick, low-set, well-balanced, good-boned individual, with size for age and should make a breeder's bull. We used him this summer on some heifers.

Bapton Roan Robin, one of the greatest breeding sons of Bapton Constructor. He is the grandsire of Lot 34 below.

KEMVILLE VICTOR—By Louada Brunel (AAA) by the great Bapton Constructor and from the Clipper Jane's, a family that has bred well for us. We showed Victor at the Red River Exhibition in Winnipeg and also at the International Show at Brandon. He won the March and April classes at both shows. A great young bull with thickness and smooth, natural fleshing.

Polled Shorthorns have found wide acceptance in this sale. The polled bulls forward this year are the best group ever offered. They are Lots 18, 28, 33, 36, 37, 41, 42, 46.

ROTHWYN SCOTCH GUINEA—A big, thick, heavy boned son of the \$7,200 Glastullich Sunshine AAA that we purchased in dam from Emile & John Cammaert, Rockyford, Alta. His dam is one of the real good daughters of Saltoun Bequest. A half-brother to Rockyford Statesman sold in the 1964 International to Ken Deacon, Unionville, Ont. We have used this bull on some of our best cows and he is a proven sire.

The Hon. Steve Magnacca, mayor of Brandon, Man., welcomes the crowd to the 1965 Canadian International Bull Sale and presents Wib Donaldson, past-president of the Canadian Shorthorn Sales, sponsors of the event, a memento of the city of Brandon.

LOUADA SCOTSMAN—A son of the popular Bapton Toreador, top-selling bull of the Canadian International in 1964, selling to the Mains herd at Poulsbo, Washington. His dam is a full sister to Louada Regalia, stock bull for the Browns of Kentucky; Louada Rodney, stock bull for Dave Garriott; and Louada Lochinvar, stock bull for Scofield Ranch, Austin, Texas.

— GUARANTEE —

1. Proper care must be given by purchaser to protect qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder notice shall be given to the seller within **six months** of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
4. In the event an animal is returned by the buyer to the seller as a non-breeder the buyer must furnish to the seller a veterinarian's certificate showing that his herd is healthy if such a certificate is required by the seller.
5. Certificates of registry and transfers in the Canadian Shorthorn Assn. will be furnished with each animal sold and all animals are eligible for registry in the American Shorthorn Assn.
6. Shipment will be made as soon as possible after the close of the sale at instructions of purchaser, but at purchaser's risk of loss or injury after animal is purchased.

All animals sold in this sale will be backed by the above Standard Guarantee. All transactions constitute a contract between the buyer and seller of each lot.

Please Note . . . Notices of failure of a bull to be a breeder must be made to the seller within six months of purchase, or by the time the bull has reached 20 months of age, if purchased under 14 months of age.
